## NATURAL STONES

### Sahasrara Chakra

**Amethyst** : One of the most respected stones for centuries. The color of Amethyst symbolizes royalty and loyalty. Amethyst has a long history because it is admired by many people for its beauty. The ancient Greeks and Romans used amethyst in several ways, from jewelry to amulets.

### Ajna Chakra

**Dyed Lapis Lazuli** : A stone that becomes the beauty and fashion icon of Cleopatra. The Egyptian queen used powder made from the Lapis Lazuli Crystals for treating her beauty. Lapis Lazuli has the effect of broadening your mind. Known as the "Guard of Wisdom," Lapis Lazuli is an ideal stone for setting intentions that involve truth, awareness, and intuition.

### Vishuddhi Chakra

**Turquoise** : The most legendary stone among all crystal stones. It's enchanting greenish-blue makes Turquoise idolize by the leaders of Ancient Egypt. This stone is believed to have extraordinary healing powers because it promotes the flow of positive energy that can heal one's emotional wounds.

### Anahata Chakra

**Imperial Jasper** : Imperial Jasper is considered the best gemstone which symbolizes the journey to God. Imperial Jasper can calm one's soul, both emotionally and spiritually. This stone is believed can protect you from all kinds of insecurities and worries.

### Manipura Chakra

**Tiger Eye** : Tiger Eye Stone is a crystal with a beautiful golden yellow ribbon. This is a stone that helps you free from fear and anxiety and also provide harmony and balance. Tiger's Eye stimulates you to take action and make decisions wisely without being influenced by emotions.

### Swadhisthan Chakra

**Amber Resin** : This stone is popular because it has extraordinary metaphysical properties for psychological protection. Amber Resin helps relieve stress by clearing phobias and fears. This stone gives a healthy feeling to its users, balance emotions, clear your mind, and release negative energy.

### Moodadhara Chakra

**Red Onyx** : Red Onyx is a crystal that serves to provide a feeling of calm over the stresses of everyday life. This stone serves to bring harmony for the balance of life and work.
